

ABOUT THE BOOK

The Bible predicts end-time catastrophes and global upheaval as foretold by God's prophets over 2,000 years ago in the books of Daniel and Revelation, and confirmed by Jesus Himself in the Gospels of Matthew, Mark and Luke. However, the popular view among Christians is that while the book of Revelation foretells apocalyptic end-time events in symbolic detail, the book of Daniel is mainly a record of kings, wars and events of yesteryears.

A few decades ago prophecy students began to challenge this view; they studied Daniel's visions and time periods with the thought that they might also predict end-of-the-world tragedies in connection with the book of Revelation. If true, the combined prophecies of the two books would unleash a bold new understanding of how the world would end, and would expose an end-time chart hidden for centuries. In time, it was discovered that the ancient Biblical time periods did align; and furthermore, they miraculously fell between the Jewish Festivals—such as Purim, Passover and Yom Kippur—in what is now referred to as the *Appointed Times & Seasons Calendar*. The counting periods that lead to the end of the age begin at Purim/Shushan Purim, March 8-9, 2012, with a disastrous Jerusalem event that will stop daily worship at the Western Wall, and the counting ends with the Great Tribulation in the fall of 2015 at Yom Kippur, the very date that initiates the 70th Jubilee.

These modern discoveries into the ancient books of Daniel and Revelation signal time is short. Daniel was told his scroll would be sealed until the end of time, but then the wise would understand what had been kept secret for so long: "The words are rolled up and sealed until the time of the end. Many will be purified, made spotless and refined, but the wicked will continue to be wicked. None of the wicked will understand, but those who are wise will understand," Daniel 12:9-10.

Middle East military conflict will soon erupt, and natural disasters and pandemics will grow to catastrophic proportions in the months to follow. This period of international chaos will occur as an overwhelming surprise to the majority of the world's population. Many will even think it is the end of the world; then, global-wide demonic signs and wonders will usher in the long anticipated Man of Sin, referred to as *Antichrist*. His spectacular arrival will activate peace out of mayhem, and his popularity will soar worldwide.

The countdown to Middle East hostilities is already on the march, and the U.S. led war against Iran is at hand, which signals final events have officially begun. World War III and nuclear holocaust are nearer than anyone can imagine. The powers of Heaven and demonic forces are about to intersect with Planet Earth in a very visible way. Our future and eternal destinies are at stake, and all will hinge on the decision that we each must make—to either give homage at the cryptic arrival of the end-time world leader warned about in the Bible, or to walk by faith against the prevailing tide of sin to follow the prophetic warnings in Daniel and Revelation—the "testimony of Jesus Christ," Revelation 1:1-3.
